## TDECU Drives Savings For Members With New Buc-ee's Platinum Mastercard

TDECU, Houston's largest credit union, is offering its Members new ways to save at Buc-ee's, home of the world's cleanest bathrooms, freshest food and friendliest beaver. The new TDECU Buc-ee's Platinum Mastercard gives cardholders a 5% instant discount in-store and at the pump at participating locations.

“We are thrilled to share the expanded benefit of our Buc-ee's partnership with our Members, at a time when they need it most,” said TDECU President & CEO Isaac Johnson. “Buc-ee’s travel centers have become their own must-see destinations, and we are excited to give our Members another reason to stop along their financial journeys.”

The newly-designed card features the iconic Buc-ee’s logo set vertically, with the EMV chip located near the top edge. Along with the 5% discount at the pumps and in the store, new card holders will also receive other benefits including no annual or cash advance fees, no penalty pricing, and an introductory APR for purchases and cash advances for six months, and for balance transfers for 12 months.

TDECU members with Classic or Business Mastercard and Platinum Visa will continue receiving the 10-cents off discount per gallon for fuel.
